

ANNOUNCEMENT & CALL FOR PAPERS

Topics of interest include but are not limited to:

Phenomena, Modeling, and Evaluation

Chemical and Gas Sensors

Biosensors

Optical Sensors

Mechanical and Physical Sensors

Sensor/Actuator Systems

Sensor Networks

Other Sensor Topics

- Materials, processes, circuits, signals and interfaces, etc.

Applications

Publication Plans

Presented papers will be included in the Proceedings of IEEE SENSORS 2013 and in IEEE Xplore. Authors may submit extended versions of their paper to the IEEE Sensors Journal.

Exhibition & Partnership Opportunities

The Conference exhibit area will provide your company or organization with the opportunity to inform and display your latest products, services, equipment, books, journals, and publications to attendees from around the world.

IEEE SENSORS 2013 is intended to provide a forum for research scientists, engineers, and practitioners throughout the world to present their latest research findings, ideas, and applications in the area of sensors and sensing technology. IEEE SENSORS 2013 will include keynote addresses and invited presentations by eminent scientists. The Conference solicits original state-of-the-art contributions as well as review papers.

Conference Officials

General Co-Chairs

Robert Trew - North Carolina State University, USA

Elliott Brown - Wright State University, USA

Technical Program Chair

Yogesh Gianchandani - University of Michigan - Ann Arbor, USA

Important Dates in 2013

Abstract submission Deadline: **April 17**

Author Notification: **July 1**

Final Full Paper Submission (4 Pages): **August 9**

Presenting Author and Early-Bird Registration Deadline: **August 9**

****There will not be any special focus sessions this year.**
